

# New Life Kids

We have been grateful for the ability to have online lessons available for the kids during the COVID Pandemic. All of our Kids classes are now open and available for Nursery-6th Grade, however if you choose to put your child into their classroom you voluntarily assume all risks associated with exposure to COVID-19. As a parent, you understand that social distancing children is not that simple, but the safety and well-being of our New Life Church family is very important to us, so we have taken the following precautions.

- Every volunteer will go through a screening process, including a health questionnaire and temperature check before being admitted to serve in the classrooms.
- Check-in will be touchless. A volunteer will check-in the children electronically.
- Every Child will receive a touchless temperature check and will use Hand sanitizer before being checked in to New Life Kids.
- Rooms, toys, and surfaces will be disinfected after each service and classroom toy use will be rotated each week.
- Any snacks that are provided by New Life Kids will be prepackaged and handed out by a volunteer.
- Elementary classroom chairs will be separated accordingly.
- If you or your child doesn't feel well we ask that you would stay home. Live services will still be available to you on our FB page.

# Reasons to stay home

## HELP STOP THE SPREAD

### HEALTH SCREENING QUESTIONS

1. Have you been in close contact with a confirmed case of COVID-19?
2. Are you experiencing a cough, shortness of breath or sore throat?
3. Have you had a fever in the last 48 hours?
4. Have you had a new loss of taste or smell?
5. Have you had vomiting or diarrhea in the last 24 hours?
